25th May 2015

A Chara,

Midleton G.A.A. Club Development Plan.

As you are aware the Plan has now been launched. It is available to download in the Club Development section of our Club Website. Our next step is to start to implement the Plan.

The Development Plan Steering Committee have met and agreed that our first objective, as per the plan, is to put a number of Sub Committees in place. We will do this on a phased basis over the summer months.

Initially we want to put two Sub Committees in place.

1. Public Relations, Communications and Information Technology Sub Committee
2. Finance & Fundraising Sub Committee (including Membership & Registration)

As I mentioned previously we will also be putting together other Sub Committees over the coming months, namely:

3. Social & Cultural
4. Health & Wellbeing
5. Facilities (incorporating New Grounds Development Sub Committee)

We are now seeking expressions of interest from people prepared to act on **any** of the above Sub Committee's, however we would like to fill 1. and 2. as a priority.

Each Sub Committee will only be in place until our AGM at the end of 2015. The new Executive Committee elected at the Club AGM may re appoint the Sub Committee's if it still deems them to be necessary as per our Club Constitution. So initially you only have to commit until December 2015.

If you are interested in being considered for any of the five Sub Committee's please reply before 6pm on Sunday 7th June to the Midleton GAA Club Development Plan Coordinator email address: midletongaacdpc@gmail.com (all one word)

Please make sure to state your preferred Sub Committee.

Thanking you in advance,

Is mise,

Vincent Reddy

On behalf of Midleton G.A.A. Club Development Plan Steering Committee
